# Morning Dew

Pink Lotion Hand Soap

# Morning Dew

## Where to Use

Morning Dew is a pink lotion soap that is heavily pearlized for a luxurious look and feel. High quality berry fragrances have been added to produce a lasting aroma. Morning Dew is designed to match the pH of hands and contains added emollients for a mild and satisfying after-feel. The lotion also contains humectants to further condition the hands and prevent soap from drying and clogging dispensers.

### Benefits

- Conveys a message of quality.
- Soft and supple after-feel.
- Won't dry hands.
- Pink lotion.
- Berry fragrance.

### Directions for Use

Apply a small amount of Morning Dew to wet hands. Rub hands together to produce ample lather. Pay particular attention between fingers, under fingernails and in cuticles. Rinse hands with water and wipe dry.
