DfE Alpha 3

Industrial Cleaner & Degreaser

DfE Alpha 3

Where to Use

DfE Alpha 3 is a unique general purpose cleaner for removing grease, oil and other factory soils. Neutral in use dilution and safe to use on all washable surfaces. Recommended for cleaning equipment, machinery, parts, floors, etc. Cleans better than products with ingredients like NPE, 2BE.

Benefits

- Safe on all washable surfaces.
- Unique surfactant system. Rapidly floats away soils.
- Free rinsing.
- Low sudsing. Suitable for recirculating wash equipment and automatic floor scrubbers.
- No NPE, 2BE
- NSF Registered Proprietary Substances and Nonfood Compounds

Dilution Ratios

SNAP! : Dilutes (1:32) for Both High Flow and Low Flow.

Light soils: Dilute (1:128) 1 oz per gallon/
30 ml per 3.8 litres of water.

Medium soils: Dilute (1:32) 4 oz per gallon/
120 ml per 3.8 litres of water.

Heavy soils: Dilute (1:5) 25 oz per gallon/
740 ml per 3.8 litres of water.

Directions for Use

SNAP! Product is designed to only be used through our SNAP! Dispenser.

Mix only with water. Apply with a mop or brush, as a pressure spray, in a dip tank or through an automatic floor scrubber.

“This product is acceptable for use as a general cleaner (A1) on all surfaces in and around food processing areas, where its use is not intended for direct food contact. Use of this product in food processing or handling facilities requires that all food products and packaging materials be removed or protected prior to product use. A potable water rinse of cleaned surfaces is required after use of this product. When used according to manufacturer’s instructions, the cleaner shall neither exhibit a noticeable odor nor leave a visible residue.”

“This product is acceptable as a degreaser or carbon remover for food cooking or smoking equipment, utensils, or other associated surfaces (A8) in and around food processing areas, where its use is not intended for direct food contact. Use of this product in food processing or handling facilities requires that all food products and packaging materials be removed or protected prior to product use. A potable water rinse of cleaned surfaces is required after use of this product. When used according to manufacturer’s instructions, the cleaner shall neither exhibit a noticeable odor nor leave a visible residue.”
