Calcium, Lime & Rust Remover

The #1 Rust, Calcium, and Lime Remover in its category is the fast and effective way to clean away calcium, lime and rust deposits.

Multi-purpose cleaner designed for a variety of applications including dishwashers, coffee pots, sinks, showerheads, toilets, humidifiers, washing machines, HVAC, glassware, faucets and more. Great for use on porcelain, stainless steel, chrome, glass, fibreglass, vinyl, brass, PVC/plastic, copper. Part of the EPA's Safer Choice Program recognizing the product as a safer alternative to harsh chemicals without sacrificing the quality or product performance. Contains no phosphates, ammonia or bleach. NSF registered; it is approved for use in food processing, food storage, and food service facilities.
