PROXI[®] Spray & Walk Away Instant Stain & Odor Remover

Proxi Spray & Walk Away

Instant Stain & Odor Remover

Where to Use

Safely Cleans and deodorizes carpets and fabric and prevents stains from reappearing. Works on pet stains, food stains, red wine, coffee, grape juice, cola, iodine, and blood.

Proxi is a 100% Environmentally friendly product and does not leave any soaps or detergents in your carpet or fabric. Naturally turns into oxygen and water when used.

Benefits

- No rubbing, scrubbing, blotting, or rinsing
- No VOC's
- Save on labor
- No equipment needed
- No wicking of stain

Dilution Ratios

Ready to use.

Directions for Use

Test for color fastness on a hidden area prior to use.

1. Remove all loose soil from the area to be cleaned. Spray generously about 12 inches from the stained area. Use stream setting not mist on trigger sprayer.
2. DO NOT SCRUB OR BLOT THE TREATED STAIN. Just Spray and Walk Away.
3. Allow area to dry, Proxi will gradually break down and remove the stain and remain active up to 3 days. Re-treatment maybe necessary in cases of severe staining.
4. On deep pile carpets, work Proxi into the pile lightly with a clean rag or light brush.

Easy to use:

- No Rubbing
- No Scrubbing
- No Blotting
- No Extracting

Just Spray & Walk Away!
